

# Ørecomm Festival 2013

Memory on Trial:  
Media, Citizenship and Social Justice

13-16 September 2013

## Practical information

The Festival is free of charge, but all participants need to [register](#). If you will not participate despite your previous registration, please notify the Festival secretariat at [orecomm@gmail.com](mailto:orecomm@gmail.com)

Participants themselves arrange their **own travel and accommodation**. Below, we give some recommendations regarding these practical aspects.

The Ørecomm Festival does **not** provide economic support for participants. We sincerely hope that participants from many countries of the world will take part and encourage you to apply for funding from other sources.

## Roskilde

Roskilde University is located about 30 minutes by train outside Copenhagen and yet not in the city of Roskilde, on what back in the days (when the university opened in 1972) was nothing but fields. The university is research-driven and provides education for future generations of managers, teachers and experts, based on advanced knowledge. The most important task of Roskilde University is to contribute to experimental, innovative forms of learning and knowledge creation. For more details on Roskilde University, [check here](#).

While in Roskilde the Festival is hosted by the [Department of Communication, Business and Information Technologies](#) (CBIT). CBIT is an innovative and interdisciplinary university environment that combines science, the social sciences and humanities in the study of the interplay between communication, business and information technology in theory and in practice. The conference on **13 September** will start at the cinema (it says 'biograf' on the map) in building 41. To find your way, [see the map](#) of Roskilde University.

Roskilde University is not located in the city of Roskilde as one might think, but near the railway station called Trekroner. Therefore you need to take the train from Copenhagen central station to Trekroner. On **13 September** we will meet at Copenhagen central station at 8:00 am, go by train, and walk together from Trekroner station to Roskilde University. Meeting point is by the stairs to track no. 8.

If you are on your own, you may [use this map](#) to get from Trekroner station to Roskilde University.

## Malmö

Malmö University is located in the centre of Malmö in an area of transformation of Malmö from an industrial town to a centre of learning. Malmö is located in southern Sweden, close to Copenhagen in Denmark. The university is structured to cope with our ever-changing labour market through a multi-disciplinary approach that crosses traditional school and faculty boundaries. Malmö University offers more than 90 separate education programmes at bachelor and master's level and 500 courses. Around 20 programmes and 90 courses are in English, attracting almost 2000 international students. In total, we have 25 000 full or part-time students.

While in Malmö the Örecomm Festival is hosted by the School of Arts and Communication at the Faculty for Culture and Society.

[Map of Malmö University](#): The Festival will take place mainly in the Black Box, Beijerskajen 8, between buildings 2 and 5 on the map.

## Copenhagen

The conference on **16 September** will take place in Copenhagen on the premises of *Bethesda*, Rømersgade 17, Copenhagen K, in the conference room "Billedsalen". Bethesda is located approximately 2 minutes walk from Nørreport station. See this [map](#) over central Copenhagen, where the route between Nørreport station and Bethesda is highlighted in blue.

## Accommodation

We recommend staying in **Malmö 13-15 September**, and staying over in **Copenhagen the night 15 to 16 September**.

**Hostels** in Malmö are [listed here](#), **hotels** in Malmö are [listed here](#).

For hotels, hostels and tourist information in Copenhagen, [check here](#).

A low budget option is "[coachsurfing](#)", or *airbnb*, [check here](#).

## Travel

Malmö is located only 20 minutes by train from Copenhagen airport Kastrup, so if travelling by air, you may easily arrange both your arrival and departure for Copenhagen airport.

On **13 September**, Festival participants are invited to go together as a group to Roskilde University. We will meet at Copenhagen central station at **8:00 am, by the stairs to track no. 8**.

Similarly, we will meet at **8:00 am** at the Copenhagen central station on **14 September** to go together to Malmö, **by the stairs to track 6**.

For rail transport in Denmark consult [this page](#). For all public transport in Denmark, use this [journey planner](#). For travelling to Malmö University [look here](#).
